TROM PARIS.—FRINGES SEEM TO HAVE LOST THE favor they had, and ribbons are now the most popular trimmings for dresses. Indeed, we are informed by the latest importations that fringes are not used at all it Paris. The ladies of the French capital are all adopting ribbons. Dress-makers who wish to keep pace with the leading fashions should observe this change, and trim that garments with appropriately colored ribbons. But, in selecting ribbons, costumers should patronise only the reliable importers or dealers whose assortments are generally seasonable and fresh. We have been very favorably impressed with the extensive stock offered by LICHIT MNSTEIN, No. 387 Hroadway, New York. The amount of ribbons sold by Lichtenstein is almost incredible. Some of his latest styles are strikingly morel and beautiful. Ladies and dressmakers find it advantageous to purchase at this store. They can obtain the best qualities and latest styles cheaper here than at any other place we know of.
